

Dog Friendly Cabins

Conditions of Entry

Here at Granite Belt Brewery, we love meeting your furry friends!

Well behaved dogs (maximum of two) are welcome in either of our purpose-built dog friendly cabins, as long as the following guidelines are adhered to:

Dogs must be house-trained, and any droppings left outside during your stay must be scooped, bagged and discarded in the nearest wheelie bin. If any dog droppings remain after your departure, you will attract an additional cleaning fee of \$50.

All dogs must be monitored, to an extent, while in the outdoor fenced area next to the cabin. Excessive barking in your absence will not be tolerated.

All dogs are to be fully vaccinated and have up to date flea treatments.

Outside of the fenced area of your cabin, dogs are to always be walked on a leash to be respectful of other guests and protect our native wildlife.

Dogs are not allowed on beds or furniture, so be sure to bring their favourite bed or rug.

Please ensure dirty doggy paws do not walk on the inside carpet before being cleaned.

A \$50 fee is charged per stay to assist with carpet cleaning costs after your stay. Excessively dirty carpet or damage caused by your dog are liable to you and will incur additional cleaning/repair costs.

Your furry friend is most welcome to dine with you for lunch or dinner during your stay, just ask our friendly staff for a table on our deck overlooking the pond. Bowls of water and treats are available!

Please bring along your dog's favourite food, a food bowl and a towel (for cleaning paws and drying off in the event of wet weather).

Thank-you for your cooperation!
