

GRANITE BELT RETREAT AND BREWERY

Wedding Package

2022/ 2023

Congratulations on your engagement and thank you for considering Granite Belt Retreat and Brewery as the venue for your wedding reception.

Granite Belt Retreat and Brewery is Stanthorpe's premier events venue and is set on 30 acres of gardens, vineyards and granite bush land, providing various picturesque locations for your ceremony and wedding photos.

The large, timber homestead houses our two function rooms, along with Granite Belt Brewery, Brew Bar and guest lounge. The warm, timber décor throughout the main homestead with it's modern yet rustic furnishings and festoon lighting, provides a spectacular yet cosy, country charm.

With 20 timber cabins on site, and Hidden House – a 4 bedroom, 3 bathroom house that sleeps up to 10 people, your guests will relax knowing they don't have to drive home after your reception.

For a destination wedding event, why not book out the whole retreat and make your wedding a 2 or 3 day event? With so much to do and see around the Granite Belt region, your guests will remember your wedding event forever. We are only too happy to assist in organising group coach trips to the National Parks, Wineries and other local attractions. For more information, please just ask us!

When it comes to designing your perfect reception, we understand that every couple is different and have a different style and different needs and wants. We are proud to recommend the decorating services of Weddings and Events Warwick. Peta and her team know and love decorating our venue and will work closely with you to create the fairytale wedding you have always dreamed of.

CEREMONY PACKAGES

At Granite Belt Retreat & Brewery, you will be spoilt for choice when it comes to deciding where to exchange your vows. Set on 30 acres of gardens, vineyards and granite bush land, there are various picturesque locations for your ceremony and wedding photos.

The Vineyard

The backdrop of the Shiraz Vineyard lined with Liquid Amber trees is spectacular, particularly in Autumn when the Liquid Amber are blazing shades of red and orange.

The Pond

The soothing sound of water trickling from our water feature creek into the pond adds a sense of tranquility to this location. In Spring and Summer, the trees come alive with different shades of green. The ducks happily paddle in the pond. In Autumn and Winter, although the deciduous trees are either losing their golden leaves or are already bare, the native gardens that line the creek ensure the location is still picturesque.

Granite Alter

For a true, Granite Belt ceremony, why not exchange vows at our granite altar?

Please note that there is only one arbour available at the vineyard.
